

Seeking Formerly Incarcerated People

To talk about their experiences with medical care in jail

Our study is documenting the quality of health care in jail, informed by people who have directly experienced it. If you have been in jail in Santa Cruz and want to share your experiences with medical care in jail, we want to hear from you!

- Approx. 1 hour interview
- Private and confidential
- You will receive \$20 for your time

For more info or to participate, please contact Roxy Davis, study coordinator, at roxywdavis@ucsc.edu or (831) 222-0289.
